

Good Neighbor Ticket Program Organization Application

The Good Neighbor Ticket Program is a unique outreach initiative that provides human service agencies in the greater Washtenaw County area with complimentary tickets to select Mainstage performances.

To be eligible for this program, your organization must be a registered non-profit that works with underserved populations who would otherwise be unable to afford tickets. Tickets are to be distributed only to clients and appropriate chaperones or representatives. If your organization does not fit this description, we apologize that we are unable to assist you.
